Vibe Coding with Cursor AI

Vibe Coding with GitHub Copilot

Learn to code with AI

Aug 28, 2025

**Ashish Kumar**

has successfully completed the online, non-credit Specialization

# Vibe Coding Essentials - Build Apps with AI

This specialization is indented for people who don't know how to code, but would like to learn how to build software using AI. Almost all professionals can benefit from learning how to vibe code, whether you're a marketer, designer, accountant, project manager, or just want to explore your creativity.

Per Harald Borgen, CEO  
at Scrimba

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
